

WMF 1500 S+

UNPRECEDENTED COFFEE VERSATILITY,
WITH GUARANTEED HIGH QUALITY.

WMF 1500 S+

At the nexus of versatility, masterful design and superb performance is the brand-new WMF 1500 S+. Ideal for medium-usage environments averaging 100 cups per day, the stylishly constructed and compact 1500 S+ produces unparalleled coffee indulgences.

FEATURES

DYNAMIC COFFEE ASSIST

Dynamic Coffee Assist guarantees the highest quality of all espresso-based coffee specialties offered by the WMF 1500 S+. Once beverage quality has been set, the system continuously monitors the brewing flow, making automatic adjustments to the grinding degree or to the coffee quantity as necessary. This way, brewing time, extraction and value remain constant, so you know your customers will enjoy consistently excellent coffee.

10" TOUCH DISPLAY

Attractive 10" touch display; navigation is simple and intuitive, using familiar touch and swipe menus. It is ideal for either self-service or staff operated mode. Perfect for promotional videos or static images.

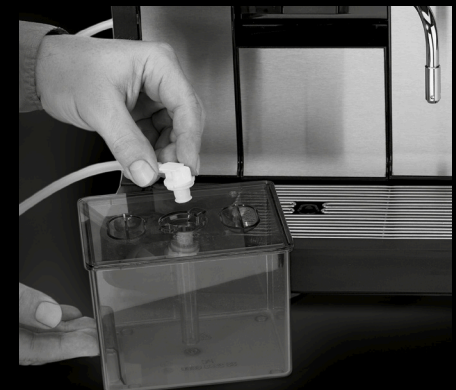

CONTACTLESS ORDERING

The WMF SmartRemote solution allows guests to order from a mobile device. Users simply scan the QR code on the coffee machine's display and easily place their beverage order through their mobile device.

EASY MILK SYSTEM

The Easy Milk system enables you to expand beyond the classic cappuccinos, latte macchiatos and lattes. With Easy Milk you can tap into cold milk mixed beverages too, automatically dispensing cold milk as well as hot milk or hot milk foam.

EASY CLEAN SYSTEM

Engineered to optimize efficiency and ease of use, with Easy Clean the machine automatically cleans and rinses itself with hot water and steam after dispensing water into a box containing a cleaning tablet.

FOOTPRINT

TECHNICAL DATA

Recommended daily output*	100 cups
Coffee bean hoppers	Right and left approx. 2.43 lbs [1100 g], central approx. 1.54 lbs [700 g]
